Camberwell Arts would like to thank all of the artists and studios who have contributed to the Open Studio this summer, as part of the 21st Camberwell Arts Festival 20–28th June 2015.

Camberwell Arts is a registered charity promoting the diverse arts scene in Camberwell. We are one of the longest running community arts festivals in the UK; continuing the promotion of the arts in this unique part of South-East London from emerging creative talent through to internationally acclaimed artists, designers and makers. We are entirely self-funded and run by a small dedicated group of volunteers.
