# CAMBERWELL ARTS

PROMOTING THE ARTS IN CAMBERWELL AND CAMBERWELL THROUGH THE ARTS

Camberwell Arts was founded 21 years ago by a group of local residents and artists to highlight the diversity of the local arts scene. Camberwell Arts Festival is now one of the longest running local arts festivals in the UK.

From performance, cinema, music, spoken word and literature, to our central focus on the visual arts, our aim is to use art in all its forms as a means to promote and develop the cultural community in and around the SE5 area.

We work in partnership with local residents and artists, studios, galleries and arts organisations to create an annual 9-day festival of exhibitions, installations, events, open studios, walks, talks and workshops; as well as projects and events throughout the year.

Camberwell Arts is a registered charity and is run by a board of volunteers. Registered Charity Number: 1138225 | Company Registration No: 0414 8321
